### About this Event

We are thrilled to be celebrating 50 years of the Department of Family Medicine at the University of Washington over the coming year. Our department was

formed in 1971 and has been at the forefront of the specialty since its inception. On behalf of the whole department we hope you'll plan to join us to mark the occasion and look ahead as we journey into the future.

One element of our celebration is a virtual speaker series designed to highlight the contributions and successes of the department, and of Family Medicine as a specialty.

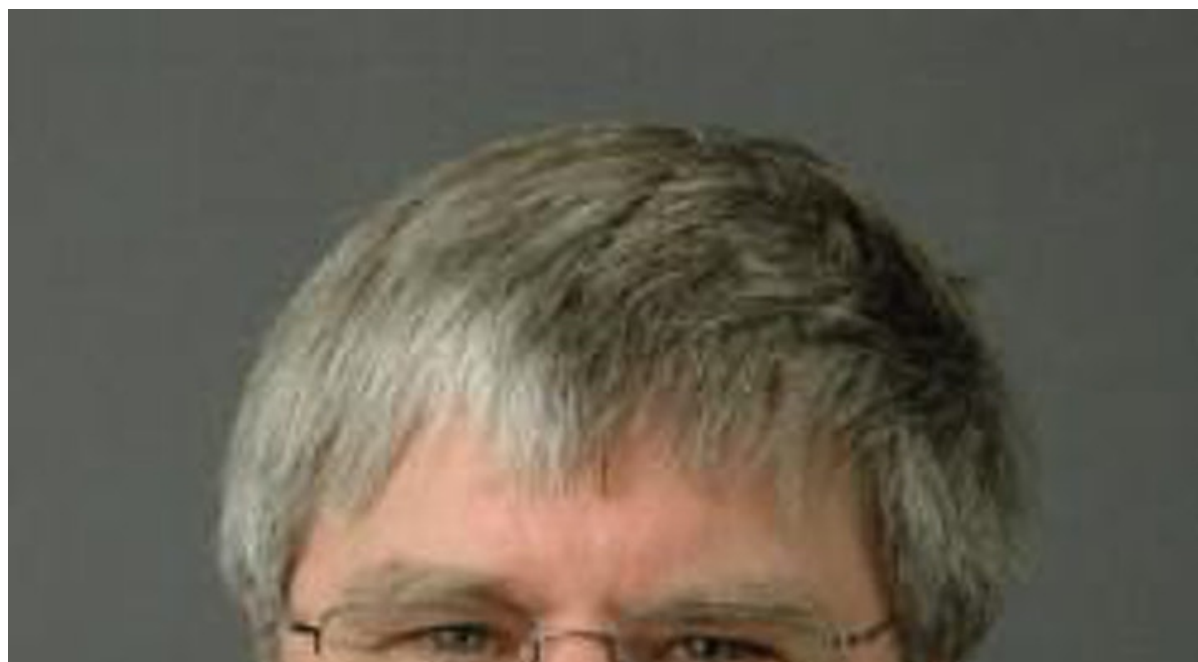

Please join us on **March 11, 2021 at 5pm PST** for:

***Holding onto Your Thread in Tangled Times: Transforming Healthcare by Recommitting to Your Core Values***

Presented by **Gregg VandeKieft MD, MA, FAFAP, FAAHPM**. Dr. VandeKieft will present the Inaugural Farber Visiting Professorship Lecture.

Dr. VandeKieft serves as Medical Director for the Providence Institute for Human Caring's Palliative Practice Group, supporting palliative care programs across the seven states served by Providence. He is founder and past medical director for the palliative care consultation services at Providence St. Peter Hospital in Olympia and Providence Centralia Hospital, as well as the Providence Olympia Outpatient Palliative Care Clinic. He was lead medical director for Providence Sound Hospice for 12 years, serving Thurston, Mason, and Lewis Counties. His clinical practice is currently limited to inpatient consultations and tele-palliative care.

Dr. VandeKieft has been a UW volunteer clinical associate professor for nearly 20 years.
