Dear Molly,

Greetings and congratulations from The National Society of Leadership and Success on your outstanding accomplishment! You have diligently worked to complete all of the requirements needed to receive the National Engaged Leader Award and have been rewarded for your efforts in several ways. You should be proud of your persistence in participating in the videoconferences, Success Networking Teams and Leadership Training Day. We hope that giving back to the community through a targeted Community Service project was as beneficial to you personally as it was to the members of your community who benefited from your help.

Your efforts truly stood out above those of others in the Society, and so it is with great pride that we award you with the National Engaged Leader Award. Please accept this award with our sincere congratulations. We are proud to have you as a lifelong member of The National Society of Leadership and Success, and admire your excellence in leadership.

Yours truly,

Gary Tuerack  
Chief Visionary and Founder
